Reflection - St. Peter

Peter has been called a stumbling saint.
 He is great consolation to us,
 because all of us are inconstant in
 our beliefs.
 But we must not judge ourselves,
 or others, by momentary inconsistencies,
 but by commitment given over a long time.
 Jesus was well aware of Peter's faults,
 but he saw that, in spite of everything,
 his heart was sound.
 Which meant he had the ability to love,
 And in the long run, love is what counts.

Grateful Thanks from Ethiopia !

Before Covid we displayed acknowledgements for Mass offerings in the shop. This lovely email arrived recently from a Bishop in Ethiopia.

Great to see how we are helping to make a difference!
 Mass Cards and Bouquets are now available in the Parish office

Dear and Rev.Fr Pat McManus,

Warm fraternal greetings from Adigrat - Ethiopia, and I trust my email finds you doing fine. Please forgive me for the delay in acknowledging the receipt of the 1000 Euro for 100 Mass Intentions for Donors Intentions.

Thank you so very much that even in the midst of COVID-19 lockdowns/closing of public celebrations/worship you could keep us in your generous thought and helping us in this precious way. At our annual retreat with (1st of two groups) priests we have specially prayed for you all for God to reward you with the graces of your needs.

You and our dear Sr Mary are really so much part of our mission!!

Now that the coronavirus gradual spread is being reported in this country, I hope Ireland is more or less over with it. Here the economic impact on already poor people is becoming very clear as the movements/daily labour/searching for daily bread stifled, it is a challenging time, pray that it does not hit hard.

God bless and protect you, Fraternally in Christ, +Abune Tesfaselassie
