ST. GABRIEL'S NOTES

6th September 2020

Protecting Each Other

Great to see bigger numbers attending the Sunday 6pm and weekday morning Masses. This allows for more space at the Saturday Vigil and Sunday morning Masses and we are grateful for your co-operation in this.

Under Government regulations we are allowed have two pods of up to fifty people each, as long as they remain separate from each other by a distance of four metres. So, we have divided the church into Section A to the left and Section B to the right, and have closed off the places nearest the centre aisle to allow for the required distance between sections.

This distance must be maintained at all times, so please follow the stewards' directions when entering, waiting for Holy Communion, and exiting.

Please remember to wear a mask, sanitise your hands and take a wet wipe to sanitise your place. *Thank you!*

Fr. Pat

One of our Priests will distribute Holy Communion in the Church every Sunday at 12 Noon for anyone who is not attending Mass that day and would like to receive.
