Showing Slides at Mass

If you attend either of our evening Masses, we hope you enjoy the slides we show including words of hymns and images to enhance our participation and understanding of each part of the Mass.

Sadly we have nobody to show slides at the 10.30 Mass and would really love to rectify that. If we had a team for each Mass it would lessen everyone's commitment.

The slides are operated through a laptop in the choir area and if you can use a computer, it is very simple.

Come and have a chat with the operator after Mass or call in to the parish office any morning, phone Anne on 01-8333602/ email info@stgabrielsparish.ie. Please do join us !!
