EXCUSE THIS HOUSE !

Some houses try to hide the fact that children shelter there, But ours boasts it openly - the signs are everywhere.

For smears are on the windows, little smudges on the doors, I should apologise I guess for toys strewn on the floors.

But I sat down with my eager child and we played and laughed and read,

And if the doorbell doesn't chime his eyes will shine instead.

For when at times I'm forced to choose between one job and another,

I like to work and clean and cook, but first I am a Mother.

Happy Mother's Day !
