

ST. GABRIEL'S NOTES

14th April 2024

Congratulations and blessings to all the boys who made their First Confession during the week. This amazing poster of Jesus calling Zacchaeus down from the tree in the Bible story (Luke 19:1-10), with all the boys represented in the leaves, was prepared by some of the boys and their teachers. It is now displayed on the noticeboard in the centre of the Church, well worth a look!

Interested in Growing Food & in Biodiversity?

Grow It Yourself (GIY) in conjunction with Clontarf GAA have a series of meetings planned to share ideas. The first meeting is on this Monday 15th April 8.15 - 9.15 in Clontarf GAA and everyone is welcome. Open to new and experienced growers, GIY will help you Get started; grow healthy food; protect diversity; share seeds & plants; learn from guest speakers and lots more. See notice board for further details and sign up to join GIY and hear about future dates and other information. Email giyclontarf@gmail.com.

Don Bosco Aid

Today we introduce the Salesian Bulletin, a quarterly magazine from the Don Bosco Aid Mission Office in Crumlin. The bulletin is free of charge and available in the Gathering Area.

The Salesian Bulletin was first published in 1877 to make the work of the new Congregation Don Bosco more widely known. Currently the Congregation has communities in 136 countries many serving in the most impoverished places in the world. Last year, 2023, Salesian communities were set up in Botswana and Niger for the first time. They greatly appreciate your assistance that makes the Salesian mission story widely known.
