Donations on our Tap & Go machines for the month of April amounted to a very generous €2,453 in 220 transactions. These funds are divided 60% to the Priests (the Common Fund) and 40% to Share. On the weekend of the 27th /28th April the Share collection was replaced by the annual Lay Ministries collection and €249.32 from the above amount went there. Many thanks for your continued support.
