# ST. GABRIEL'S NOTES

16<sup>th</sup> June 2024

## HAPPY FATHER'S DAY

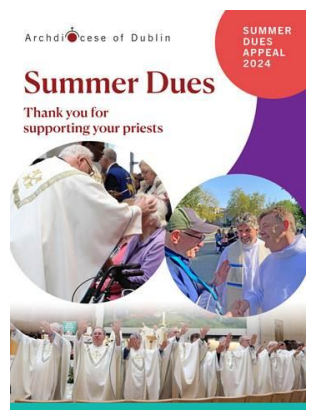

### *Summer Dues*

The Summer Dues collection for the support of priests is being launched once again this weekend.

*"The Summer Dues has become an important initiative in recent years, helping to return the Common Fund to a healthy position, supporting priests in parishes, and sick and retired priests throughout the Archdiocese.*

*Please convey our gratitude to your parishioners for their support and thank them for their contributions that sustain us daily."*

(Extract from Archbishop's letter for today)

Envelopes and information sheets are available at the Missalette stands. Thank you for your support.

### *Our New Grotto*

You may have noticed that the work is progressing well on the site for our new Grotto to Our Lady. Grateful thanks to Sean McKeon who is supervising the project and all the team working on it. The plans are up on the noticeboard inside the Church (*almost directly behind where the shrine will be outside*). We are very grateful for all your comments for this Parish Project which includes us all, and your comments and support are very welcome. The work is on schedule for the great feast of the Assumption of Our Lady on 15th August, or perhaps her birthday on 8th September.

### *Manresa is Ready to Reopen*

"Between Covid and the building project, Manresa has been effectively closed for four years. However, it has now been renewed. Some Jesuits have called it 'The New Manresa', as it has been transformed. Bedrooms have been refurbished. Viewing rooms overlooking Dublin Bay are on the third floor. There is a new reception, dining room and kitchen. We have a courtyard, which has been planted and grassed. The castle has been repainted and re-roofed." *Joe Greenan, Director*
