## Just Four Years Ago

Looking back at our newsletter for this weekend just four years ago, it was full of joy and excitement as we prepared to reopen our Churches the next day, Monday 29<sup>th</sup> June, which had been closed since the middle of March. Several restrictions were in place, only 50 people were allowed in the church for Mass. The Obligation for Sunday Mass was lifted and people were encouraged to take a weekday as their new 'Sunday'.

It is hard to recall the anguish and trauma we experienced at that time, but we stuck together as a community and helped each other along. There were so many desperately sad funerals for loved and cherished family and friends with only a small few allowed into the church for the Mass while others gathered outside. May they all rest in the peace of Christ. It was a very hard time but also a blessed time when we learned to care for each other.
