Live Dangerously – Be a Christian

Three Thursdays in Manresa
25th Feb, 3rd & 10th March
7.30 – 9.00 pm

Starting next Thursday, Dr Luis Alvarez will present these talks on the theme of the Church as a community of disciples in the New Testament and in our own times. He lived in Chile under the Pinochet regime where he suffered because of his commitment to living the gospel in the way he felt called to do.

This Lenten event is being organised by the Cluster Group representing the three Clontarf parishes. It promises to be an inspirational series of evenings.

If you would like a lift to Manresa on Thursday – or if you could offer someone a lift – please contact the Parish office on 01-8333602
