Dear Pope Francis- The Pope Answers Letters from Children from Around the World

Children have questions and struggles just like adults, but rarely are they given the chance to voice their concerns and ask the big questions resting deep in their hearts. In *Dear Pope Francis*, Pope Francis gives them that chance and celebrates their spiritual depth by directly answering questions from children around the world. Some are fun. Some are serious. And some will quietly break your heart. But all of them are from children who deserve to know and feel God's unconditional love.
