He will be joined by Priests who have served here, priests from the Parish and those who were ordained here.

There will be a reception for everyone in the Parish Centre after this Mass.

St. Joseph's Young Priests Society

The St. Gabriel's branch of St. Joseph's Young Priests Society will hold their monthly meeting next Friday, 30th Sept. in the Conference Room at 10.45.

New Monthly Newsletter

As a further step in the process of bringing our three parishes, St. Anthony's, St. Gabriel's and St. John's, working closer together, we hope to produce a joint monthly newsletter with the help of Liturgical Publications Ireland. LPI will print the newsletter at no cost to our three parishes and will be seeking local sponsorship. We are grateful to LPI and hope they will get the sponsorship necessary. For those interested in placing an ad in our Newsletter this is your opportunity! To obtain information about advertising please contact any of our Parish offices or our LPI representative -

Christine Daly (086 813 7924).

Please remember that our advertising sponsors will make this new monthly newsletter possible, and support them.

Fr. Pat, Fr. Martin, Fr. Larry, Fr. John

As a consequence of this move, today is the last time you will receive the Sunday Message. From next week the Newsletter and Missalette will be separate.

The following week we hope to bring you the first monthly newsletter, with two pages for each parish, a cover and a page for ads., all in full glorious colour and professionally printed. We hope you'll like it!
