

ST. GABRIEL'S NOTES

29th October 2017

"Bullying (Traditional & Cyber): How We Can All Help to Stop It"

This is the very interesting and stimulating title for the first in a series of lectures at the 6pm Sunday Mass aimed at young people and their parents.

Next Sunday 5th November in St. Gabriel's During the 6pm Youth Mass

The lecture will be given by **Dr. Mona O'Moore** from the National Anti-Bullying Centre in DCU.

Dr. O'Moore has worked in the field of bullying and cyberbullying for over 30 years. She founded the Anti-Bullying Centre (ABC) which is now located in DCU. Along with valuable research, the Centre provides advice and guidance to families, schools and workplace. Further information is available on www.tacklebullying.ie / www.dcu.ie/abc

Dr. O'Moore and members of her team will be in the Gathering Area after the Mass to meet everyone and answer any queries you may have.

Can YOU Help Please

The Clontarf conference of St. Vincent de Paul is seeking a volunteer book-keeper to keep the books in order! The Conference meets on Tuesday evenings at St. John's House. Some computer skills would be necessary but the help of the existing members would make the position not too onerous. Please phone 087 2733961 to talk to a member in the coming week. *Thank You!*

Happy Hallowe'en Everybody!

With just a little reminder to look out for people on their own who might be intimidated by noise or fireworks – a wee note of support with your phone number might be appreciated.
