Looking at Authority from the Child's Viewpoint

Don't Spoil me.

*I know I ought not to have all I ask for.
 I'm only testing you.*

Don't be Afraid to be firm with me.

It makes me feel more secure.

Don't correct me in front of others.

I'll take more notice if you correct me in private.

*Don't nag, or I shall have to protect myself by
 appearing deaf.*

Don't make rash promises.

I feel badly let down when promises are broken.

Don't be inconsistent.

That completely confuses me.

Don't put me off when I ask questions

Or I may be forced to seek my information elsewhere.

*Don't think it beneath your dignity to apologise
 if you're wrong. An honest apology makes me feel
 surprisingly warm towards you.*

*But two things I need above all others —
 Understanding and love.*

*If you give me these
 the rest will take care of themselves.*
