

ST. GABRIEL'S NOTES

8th July 2018

Caring for our Own

The Priests and Ministers of the Eucharist are always happy to bring the Lord in Holy Communion to those who cannot come to Mass through illness or infirmity. Perhaps there are others in the Parish who would love to receive Holy Communion that we don't know about. If you, or someone you know, would like a Priest or Minister of the Eucharist to bring Holy Communion to the home, please let us know through the Parish office, phone 8333602.

Please also let us know if any parishioner is in hospital and would like a priest to visit.

Every Monday the 10am Mass is offered for the sick. Put the names of your loved sick ones in the special book on the Offertory table and take a card to give to them. The book is brought to the altar during the Mass on Monday.

Sacrament of Baptism

Last week we welcomed into our Christian Community through the Sacrament of Baptism:

Theo O'Halloran-Egan
Sean Matthew Byrne

Rest in Peace

We offer our sincere sympathies to the family and friends of **Teresa Lawler**, Baymount Park, whose funeral took place here on Tuesday, and **Marian Clancy**, Mount Prospect Avenue, whose funeral was on Friday.

May Teresa and Marian rest in peace.

Grateful Thanks

The local Conference of the Society of St. Vincent de Paul gratefully acknowledge a very generous **€1,485** received in last week's church gate collection.

Many thanks also for **€1,285** received in last weekend's special collection for the Pope's charities, Peter's Pence.

Summer Breaks

Our three Choirs are taking a break for the summer and will return in early September. We are very grateful to their dedication and the enhancement they bring to the Liturgy at each of our three weekend Masses.

We also apologise for our missing projector and the one-eyed powerpoints over the past few weeks. It has been sent to Cardiff for parts but they assure us it can and will be repaired and returned before the end of July.

An Appeal from the Irish Cancer Society

The Irish Cancer Society needs an extra 200 drivers for their Volunteer Driver Service in the north and west of Dublin to drive cancer patients to and from their chemotherapy appointments.

They are looking for drivers with free weekday availability and who have a car available to them. Drivers should be able to commit to driving at least two full (week)days a month. All volunteer expenses are paid.

If you would like to volunteer, please call Laura on 01 2310 594, email transport@irishcancer.ie for an application form.
