

ST. GABRIEL'S NOTES

29th September 2019

*OOPS! So sorry,
We got it Wrong!*

Last week we told you that bags for the Society of St. Vincent de Paul's Clothing appeal would be in the porch - they weren't, because we were a week too early with the notice!

Bags are there today and will be collected back with your donations next week.

If you have brought stuff this week don't worry, we will keep it safe till next week.

Thank you!

I thank God for my family here in St. Gabriel's.

So many visitors to our Parish speak of how friendly it is and how at home they feel here.

This is due to **You** especially to all the people who help make our family so welcoming and friendly. We are blessed in our Parish Family with so many thoughtful and helpful members. My sincere and grateful thanks to you.

However, we can't rest on our laurels. Like any family we all must play our part. Don't leave it to others!

Thank you.
