Matthew 10:26-33
12th Sunday in Ordinary Time

My name is _____

Jesus says that God our Father knows each one of us and loves us very much. God cares for all the birds, so of course God cares for us. We are all God's children and God loves us all.

DO NOT BE AFRAID

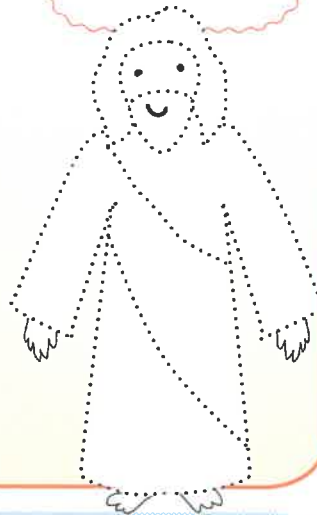

Ethan is scared

He doesn't need to be worried though, because he has a special friend with him. Join the dots to see Ethan's friend.

Can you make Ethan look happy, now that he knows his friend is with him?

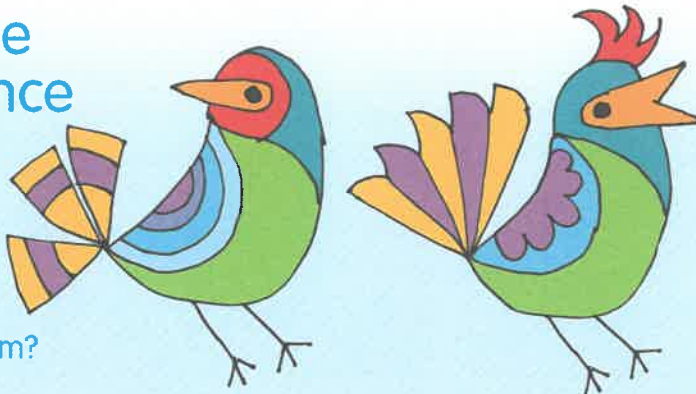

Ethan's friend is
_____ (sues!)

Spot the difference

Here are two birds.

Can you find **five** differences between them?

Who will help?

These children are worried, but there are people who can help them.

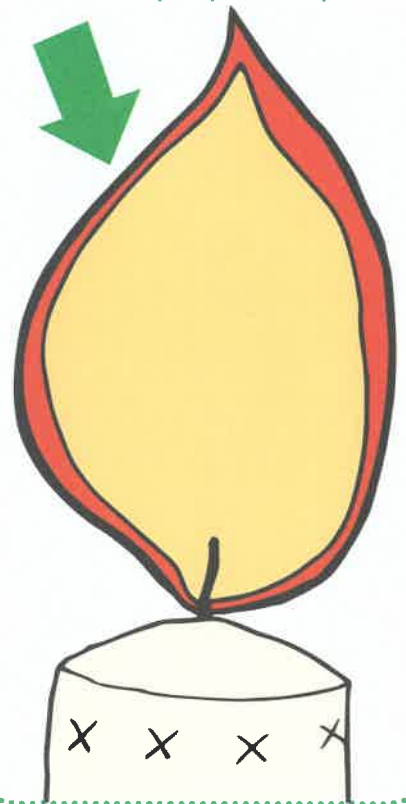

Draw a line to match the helper to the problem

I will love like God when I...

God is love. We can be like God when we show our love.

Draw, or write, in the flame one way you will show love to other people today.

A PRAYER TO SAY

Dear Jesus, thank you for loving me so much. When I am frightened, help me to remember that you are with me. Amen.
