Beannacht — A New Year Blessing

by John O'Donohue

*On the day when the weight deadens on your shoulders
and you stumble, may the clay dance to balance you.*

*And when your eyes freeze behind the grey window
and the ghost of loss gets into you,
may a flock of colours, indigo, red, green and azure blue,
come to awaken in you a meadow of delight.*

*When the canvas frays in the currach of thought
and a stain of ocean blackens beneath you,
may there come across the waters
a path of yellow moonlight to bring you safely home.*

*May the nourishment of the earth be yours,
may the clarity of light be yours,
may the fluency of the ocean be yours,
may the protection of the ancestors be yours.*

*And so may a slow wind work these words of love around
you, an invisible cloak to mind your life.*

Wed. 6th January Feast of the Epiphany

Wednesday is the feast of the Epiphany, when the three Wise Men came from the East to visit the baby Jesus, manifesting that He had come to save all peoples of the world. Their gifts also had significance: Gold for a King, Frankincense was burned in the temple to worship God and was a sign that Jesus was to be worshipped. Myrrh was used to anoint dead bodies and foretold his suffering and death.

The obligation to attend Mass on Holy Days and Sunday is suspended, but we have an extra Mass on Wednesday at 6.30pm which you may like to follow on webcam.
