Several people have asked us for a copy of the Coronavirus Prayer we recite during Mass.

Coronavirus Prayer

Jesus Christ, you travelled through towns and villages "curing every disease and illness". At your command the sick were made well again. Come to our aid now, in the midst of the global spread of the coronavirus, that we may experience your healing love.

- Heal those who are sick with the virus. May they regain their strength and health through quality medical care.
- Heal us from fear, which prevents nations working together and neighbours from helping one another.
- Heal us from pride which can make us claim invulnerability to a disease which knows no boundaries.

Jesus Christ, healer of all, stay by our side at this time of uncertainty.

- Be with the families of those who are sick or have died. As they worry and grieve, defend them from illness and despair. May they know your peace.
- Be with doctors, nurses, care workers who seek to heal and help those affected and who put themselves at risk in the process. May they know your protection.
- Be with the leaders of all nations. Give them the foresight to act with charity and true concern for the wellbeing of the people they are meant to serve. Give them the wisdom to invest in long-term solutions that will help prepare for, or prevent, future outbreaks. May they know your wisdom as they work together to achieve it on earth.

Whether we are at home or abroad, surrounded by many people suffering from this illness, or only a few, Jesus Christ stay with us. In place of our anxiety, give us your peace. Jesus, we ask for healing. AMEN

Trócaire Lenten Campaign 2021

This year Trocar's Lenten Campaign will focus on exploring the Impact of Conflict on Families in South Sudan. This Lent, we learn more about the suffering of people who have lost their homes and loved ones & how they are rebuilding their lives through love, friendship and solidarity. **TRÓCAIRE BOXES** are available in the Gathering. Each pack contains details of how you can send your donation direct to Trócaire.
