

ST. GABRIEL'S NOTES

11th July 2021

Can You Help Us Please

We urgently need Eucharistic Ministers, especially for the two evening Masses, Saturday 5pm and Sunday 6pm. If you regularly attend either of these Masses, and would be prepared to join this very important ministry, we would love to hear from you. The more ministers we have, the less often you will be called on.

Current ministers, you might consider changing the habits of a lifetime and come to one of the evening Masses once in a while. In the present circumstances, as we can have just one line of people in the centre aisle, the Priest distributes Holy Communion at the front, and the Sacristan half way down, so we need two Eucharistic Ministers at every Mass to distribute at the side aisles.

This very special ministry gives you the privilege to serve the Lord by bringing the Eucharist to the people in the church, and perhaps also to the sick and housebound.

If you are in any ways interested, or just want to find out more, please have a chat with Fr. Pat after Mass or Anne in the parish office (01) 8333602 / info@stgabrielparish.ie or call in any morning after Mass. We really would love to hear from you and appreciate your help.

Task Force: Building Hope – Public Consultation

In last week's video Archbishop Dermot Farrell explained the Task force that he has set up to stimulate engagement with the whole diocesan family and support parish communities to undertake a radical renewal, looking to the future. The video is still available on our website www.stgabrielparish.ie and the www.dublindiocese.ie website. It is hoped that you might nominate one member of your family to return to the website and make a contribution by filling out the online form. The consultation form will close next weekend.

Thankfully our toilet is fully operational again, with a temporary bolt on the door.
Please ensure that children and vulnerable adults are safe when using it.
