Prayer for the Season of Creation

O Creator God, open our eyes and our hearts to the wonders of your presence among us. May we see the signs of your beauty within and about us and ever be in awe of the simple gifts of life. Help us to reach beyond ourselves and to give thanks for all of your creation that share this universe with us; people of every nation, animals of every species, all forms of vegetation, the planets, stars, and all the elements. We pray this in union with the incarnate Word of God in whose image all was created. Amen.

First Holy Communion

Congratulations to all the boys and girls who this week are receiving their First Holy Communion in our three Churches. Their special Masses will be celebrated at 2pm on Saturday and Sunday in each church.

Grateful thanks to all the parents, teachers, and the young people who have been disappointed so many times over the past year, but kept hope alive.

Eucharistic Ministers

Thanks to everyone who has returned the questionnaire we sent out last week. There are still some missing so please do it today or call in to the office any morning if you want to chat about it. Hopefully we will then be able to collate all the information and come up with a rota that suits everyone.
